The Hookers & Hackers

Established in 2008, The Hookers & Hackers is a non-profitable making organisation which was created to raise money for various charities, but mainly charities in connection with cancer and terminally ill children. Our aim is to raise as much money as possible to aid research in to cancer and to help those affected by this illness.

Each year a charity golf day will be held between April and June to raise funds for a charity within the local area of the golf course. We aim to raise funds that will make a difference to people's lives who are suffering from cancer or a terminal illness. Golfers of all abilities will be able to choose from various packages. Our signature package includes 27 holes, in which the first 9 holes is played with only 3 clubs, one being a putter.

The Hookers & Hackers Charity Golf Day 2011

Noah's Ark Children's Hospice

This year's event will be raising money for a charity in local proximity to the golf course called Noah's Ark Children's Hospice.

Charity No. 1081156

The children Noah's Ark aims to help are 'life-limited' - they have conditions which mean they are not expected to live beyond their 19th birthday. The majority (over 80%) are likely to be suffering from a genetic, progressive, degenerative condition, for example, Duchenne's Muscular Dystrophy. Other illnesses will include, cancer, cystic fibrosis and severe cerebral palsy.

Some children may live for 10 to 15 years with their condition. This places a huge strain on all of the family - parents, brothers and sisters and the extended family. Every child and family has particular sets of needs, ranging from practical support in the home through to complex healthcare assistance.

Noah's Ark provides practical support to life-limited children and their families. This will encompass community respite care, family support services, community nursing and ultimately, in-house services. Noah's Ark aims to give families the support they need to live positive lives with their children - creating happy memories, and enabling them to face a future, with hope.

Sponsor Entire Event

A negotiable donation will ensure that you or your firm will have sole sponsorship of the event. This will include a banner at the golf club entrance and on the first tee, the event would be called "The Hookers & Hackers Charity Golf Day - sponsored by (firm's name)". This donation will include sponsorship of the main trophy "The Heinz Giemza Goblet - sponsored by (firm's name)" and will include 4 places in the event.

Sponsorship of Prize/Trophy

A negotiable donation will ensure sponsorship of a trophy that will be named after your company or team.
